C E R T I F I C A T E

This is to certify that the Mini Project titled **'SGPA AND CGPA CALCULATOR'** carried out by **Harsha K S(1JT18CS020), Karthik Y(1JT18CS027), Mandara M(1JT18CS034) and Sumana M R(1JT18CS056)** are bonafide students of Jyothy Institute of Technology, in partial fulfillment for the award of **Bachelor of Engineering**, in **Computer Science and Engineering** under Visvesvaraya Technological University, Belagavi, during the year 2020-2021. The project report has been approved, as it satisfies the academic requirements in respect of Mini Project prescribed for the course Mobile Application Development Lab (18CSMP68).

We, Harsha K S, Karthik Y, Mandara M, and Sumana M R 6 th Semester students of Computer Science and Engineering, Jyothy Institute of Technology, Bangalore - 560 082, declare that the Mini Project of Mobile Application Development Lab (18CSMP68) is successfully completed.

This report is submitted in partial fulfillment of the requirements for award of Bachelor Degree in Computer Science and Engineering, during the academic year 2020-2021.

Date :   Place :

USN : 1JT18CS020,1JT18CS027,1JT18CS034, and 1JT18CS056,

Name : Harsha K S, karthik Y, Mandara M, and Sumana M R

A C K N O W L E D G E M E N T

This Mini Project is a result of accumulated guidance, direction and support of several important persons. We take this opportunity to express our gratitude to all, who have helped us to complete the Mini Project.

We express our sincere thanks to our Principal Dr K. Gopalakrishna, for providing us adequate facilities to undertake this Mini Project.

We would like to thank Dr. Prabhanjan. S, Head of Dept - CSE, for providing us an opportunity to carry out Mini Project and for his valuable guidance and support.

We would like to thank, Prof. Nagaraj. A, Faculty In Charge, for guiding us during the period of Mini Project.

We would like to thank all the faculty members of CSE department for the support extended during the course of Mini Project.

We would like to thank the non-teaching members of the Dept of CSE, for helping us during the Mini Project.

Last but not the least, we would like to thank our parents and friends without whose constant help, the completion of Mini Project would have not been possible.

Harsha K S   [1JT18CS020]

Karthik Y   [1JT18CS027]

Mandara M   [1JT18CS034]

Sumana M R   [1JT18CS056]

TABLE OF CONTENTS

PROBLEM STATEMENT

To develop an android mobile application in order to calculate SGPA and CGPA for all semesters of VTU subjects under 2018 scheme computer science department. Where in the user is going to select whether to calculate the CGPA or SGPA. In case of SGPA calculation, the user has to select the semester to which he/she wants to know the SGPA, then user has to enter the marks in order of the subject code and when a submit button is clicked the result should appear, and if the user wants to change the entry then he can press clear button and he has to enter the marks from beginning. Then when a user wants to calculate the CGPA, he/she has to enter the SGPA's of respective semesters and then click on submit, the result should appear.

JAVA CODE

MainActivity.java

```java
package com.example.mainpage;

import android.content.Intent;

import android.support.v7.app.AppCompatActivity;

CONCLUSION

This android mobile application which we have developed will be helpful to all the students belonging to VTU computer science branch, at the crucial time where they may have to calculate the CGPA or SGPA they need not have to search for the formulas calculating things in hurry, which would always sometimes lead to wrong results that affects somehow in future. Better in this hurry situations they can download this app and can calculate SGPA or CGPA of their respective semesters with in few seconds. All this idea was to make the things easier and faster for engineers to calculate SGPA and CGPA.
